# TESTIMONIALS

***NHS Lothian engaged Hub South East to help identify alternative solutions for our catering strategy within the region. Hub has assisted in combining the various business cases for a multi-user facility, which are now being explored in further detail.***

***The support that the Strategic Partnering Services team has provided has allowed us to free up internal resources and improve efficiencies, and we have been impressed with the level of assistance provided. We will continue to utilise the knowledge and support from Hub on future projects where strategic real estate decisions are required.***

Andrew Milne, Project Director, NHS Lothian

# TESTIMONIALS

***A good piece of work providing everything required.***

Crawford McGhie, The City of Edinburgh Council

***It has definitely shaped our thinking on the best next steps.***

Keith Thomson, The City of Edinburgh Council

## TESTIMONIALS

***I've been really happy with Hub South East's work in assisting our team to produce a robust and realistic appraisal of a challenging development proposal. It is essential our Elected Members are properly advised on such a strategic decision and having both Hub and the Council staff working in partnership has provided this outcome.***

Garry Sheret, Head of Property and Facilities Management, Midlothian Council

# TESTIMONIALS

***The work of Hub South East across the City over recent years has brought leadership drive and energy to many Council and community planning projects. Their approach has ensured that employees, citizens and communities are at the heart of the design process, which has led to the delivery of well designed assets, which are proving to be of real benefit.***

***The recently developed proposals regarding the Leith Community Partnership Service Hub are a prime example of this work. The innovation and ambition deployed in the early stages of this project has led to many community planning partners, including the Council, committing to assessing the feasibility of longer term development.***

Nick Croft, Partnership and Locality Manager, City of Edinburgh Council
